Home deposit could score you a lower interest rate

Saving towards a deposit on a new home is not only a good way to prove that you are ready to take on the additional costs of being a homeowner, but also has concrete benefits in potential lower interest rates and a higher chance of having the loan amount granted.

Costs involved when purchasing a home

When it comes to purchasing a home there are more financial elements to take into consideration than just the bond repayment. This is according to Adrian Goslett, Regional Director and CEO of RE/MAX of Southern Africa, who points out that while the bond repayment is a major consideration, there are also a number of other costs that a potential home buyer will need to make provision for.

An advertisement for RE/MAX Real Estate. On the left, there is a 'SOLD' sign on a post, with a 'For Sale' sign below it that features the RE/MAX logo and the text 'Real Estate'. The background is a bright blue sky with white clouds and a green hedge. On the right, there is a hot air balloon with the RE/MAX logo. The text 'The Sign you want The Agent you need.' is written in large blue letters, and 'remax.co.za' is written in white at the bottom right.
